

LIVING IN CHICAGO!!!

**Teaching for Chicago Public Schools (CPS) means living in a world class city
in the heart of America, Chicago!!!**

The CPS Teacher Housing Resource Center (THRC) offers many affordable options to help student teachers and teachers moving to Chicago settle comfortably into the city. Among these options are standard 12-month leases or short-term rentals for student teachers.

The THRC's website (www.teacherhousing.cps.k12.il.us) provides detailed information about all of our programs. We help individuals:

- Gather information about the many "Sides" of Chicago (North, South, Northwest, Southwest, East and West) and profiles of individual communities located in each "Side"
- Find lists of our "Premier Property Managers" that offer CPS employees such discounts as one (1) month free rent, reduced security deposits, waived application fee, and waived credit check fee
- Link to our "Premier Property Managers" website and take virtual tours of their buildings, apartments and neighborhoods.
- Register to receive personal updates as our program enlists new Premier Partners.

Chicago is truly a city for all seasons: summer, fall, winter and spring. From spring through the fall, you will find Chicagoans playing outdoors, going to the beach, taking walks along the lakefront, playing volleyball and softball at neighborhood parks, enjoying outdoor concerts, teeing off at one of the area's many fine golf courses, or attending major league baseball and pro football games. During the winter, many Chicagoans find comfort indoors enjoying theater, symphonies, and our many highly acclaimed museums. Others prefer outdoor recreation such as ice skating, sledding locally or traveling to Wisconsin for skiing and snowmobiling. We are confident that whatever your interests, Chicago will be a great city in which you can comfortably live, work and play!

If you have any questions or comments, please contact us through the THRC website (www.teacherhousing.cps.k12.il.us) or the THRC Hotline 773-553-HOME (4663).

We look forward to hearing from you!
